

Pasco County's Public Schools Have a Positive Impact on Local Economy

The District School Board of Pasco County spends over \$10.3 million annually on goods and services from the following 209 Pasco County businesses:

The District School Board of Pasco County recognizes its responsibility to serve as an **economic engine** for the local economy by educating the workforce of tomorrow, providing the skills they need to be successful in the 21st Century Global Economy.

Every high school in Pasco County has at least one **certified Career Academy** in a high skill/high wage field. Academy students have the opportunity to earn industry certification and post-secondary credit as they receive **hands-on learning** experiences that will give them a competitive edge in their field.

The District School Board of Pasco County has a solid record of financial leadership, as recognized by **15 consecutive years of national and state awards**. The Board and Superintendent take their responsibility to serve as good stewards of tax-payer dollars seriously, as evidenced by their **A bond rating**.
