## Find a Network Attorney

The main way plan members use the app is to search for ARAG network attorneys who can help with their legal issues.

**See ratings and reviews for ARAG network attorneys:** When members view an attorney's profile, they can see the overall satisfaction rating, individual ratings and detailed reviews from other plan members.

**Sort and filter attorney finder search results by a variety of different options:** These include: nearest location to member, most relevant area of law, highest attorney rating, lowest reduced fee, number of years on the ARAG network, counties served and state licenses.

**View what an attorney's reduced fee is:** Members who want to know how much they will have to pay for a non-covered legal matter can see how much attorneys will charge per hour.

## Get Legal Help On the Go

Instantly confirm coverage and receive a list of network attorneys for:

**Wills:** Help with your will.
