

Pharmacy Benefit

Provider: Prime Therapeutics, Florida Blue's Pharmacy Benefit Manager

Pharmacy Choices:

Your choice of pharmacies will depend on which pharmacies are in your health plan's network, what kind of medication you need and the quantity. Your pharmacy options may include:

1. Retail Pharmacy for up to a 30-day supply

Fill prescriptions for non-specialty generic and Brand Name drugs at your local participating retail pharmacy, including national chains, such as Walgreen's, Publix Pharmacy or Walmart.

2. Retail Extended Pharmacy for up to a 90-day supply

For long-term medications, certain retail pharmacies are designated as an "extended" pharmacy and can provide up to a 90-day supply of medication. Other retail pharmacies may only dispense 30 days of medication.

3. Mail-order for up to a 90-day supply

Ordering your drugs through AllianceRx Walgreens Prime Home Delivery is a smart way to save time and money. You pay less for ordering a 90-day supply by mail, rather than going to a retail pharmacy, one month at a time.

4. Specialty Pharmacies

Fill Specialty medications through AllianceRx Walgreens Prime Specialty Pharmacy (1-877-627-6337) or CareMark Specialty Pharmacy (1-866-278-5108).

The Drug Categories are:

- **Generics:**

These contain the same active ingredients as their brand name equivalents, and offer the same effectiveness and safety. They have the lowest copay.

- **Preferred Brands:**

These are brand name drugs that are preferred by the plan and have a higher co-pay than their generic counterparts.

- **Non-Preferred Brands:**

These are higher cost because there is usually a generic or a preferred brand drug available instead.

- **Specialty Drugs:**

These are prescription medications that require special handling, administration or monitoring. These medications are used to treat chronic diseases or genetic disorders such as Multiple Sclerosis, Rheumatoid Arthritis, Hepatitis C, and Hemophilia.

Prior Authorization Programs (Responsible Steps and Responsible Quantity):

- **Encourages the appropriate, safe and cost-effective use of medication.**

If you are currently taking or are prescribed a medication that is included in the Prior Authorization Program, your physician will need to submit a request form in order for your prescription to be considered for coverage. If you do not request and/or receive prior approval, the medication will not be covered. A current listing of drugs requiring prior authorization are indicated in the prior authorization column following the product name in the Medication Guide which can be found online at www.floridablue.com.

Elect Rx Personal Importation Program

Pasco County Schools is offering a great option for you to save money on certain brand name prescription drugs through Elect Rx Personal Importation Program. This program is known as Personal Importation or PI. You can order your brand name drugs from Canada, New Zealand, Australia, and England using the same brick and mortar pharmacies that people in these countries use for their medications. Plan members will have a \$0 co-pay (Free!) on these medications for their first fill. All subsequent refills through this program will only have a \$10 co-pay. Plan Members with FSA accounts cannot use the FSA account for reimbursement because of recent IRS rule changes. Here's how you can begin using the program.

1. Members can enroll by calling 1-844-ElectRx or 1-844-353-2879. A Customer Service Representative will complete the enrollment process and order for you. You will be asked several questions related to your medical condition including any known allergies and a list of the prescription drugs you are currently taking. **You should have those prescription drugs with you when you make the call.**
2. Have your Physician prepare a prescription for a **90-day supply with 3 refills** and FAX it to the Elect Rx Toll Free Number at 1-844-333-0700. Again, you will have no co-pay on the first 90-day fill and only \$10 on all subsequent refills. You will receive an automated reminder notification of a pending renewal/refill on or around day 60 of the last 90-day supply shipped. Shipping takes 10-15 business days from the date of completed requirements (Faxed Rx from Physician and initial call to customer service from the member/employee). Tip: **Have a 30-day supply on hand to allow for plenty of delivery time.** Pharmacists are available via email at pharmacist@electrx.com to answer any and all questions regarding your prescriptions.
3. If you use the Internet the process is even simpler. The dedicated link for Pasco County Schools' employee – members to activate an account online is:
