WageWorks EZ Receipts

How It Works

WageWorks EZ Receipts makes managing your benefits quick, easy, and completely mobile. It automates and streamlines everything—there are no forms to fill out, nothing to mail in. This handy mobile app works with:

- WageWorks Healthcare Flexible Spending Account
- WageWorks Dependent Care Flexible Spending Account
- WageWorks Health Savings Account
- WageWorks HSA-Compatible Flexible Spending Accounts
- WageWorks Health Reimbursement Arrangement
- WageWorks Commuter benefits
- WageWorks Health & Wellness Program
- WageWorks Fitness Reimbursement Program

HOW YOU USE IT

It's easy to use EZ Receipts. Simply download this free mobile app to your iPhone, Android, or Blackberry smartphone, log in to your WageWorks account, and use EZ Receipts to:

- File a claim and get reimbursed quickly
- Snap a photo of receipts and submit them instantly for payment
- View transactions and account and card balances
- Sign-up for text messages or email alerts about your account(s)

HOW YOU GET IT

Download WageWorks EZ Receipts from the iTunes Store, Google Play, or Blackberry World—it's free.
