## Rights and Responsibilities During District Level Discipline Appeals

### Parent/guardian rights during the discipline appeal process include, but are not limited to, the following:

1. The parent/guardian or student has the right to inspect any written or physical evidence that the school may present at the hearing, including witness statements in which the names of student witnesses are held confidential.
2. The parent/guardian or student may arrange to be represented by an attorney or advocate at private, not public, expense. An attorney or advocate is not necessary for a fair resolution of the matter. Parents/guardians must notify the Superintendent or designee as soon as possible if they plan to be represented by an attorney or advocate.
3. The parent/guardian or student may provide any written or physical evidence that supports the student’s case, including written statements from witnesses who saw or have knowledge of the incident in question.
4. The parent/guardian or student has the right to ask questions and present his or her explanation of the alleged misconduct.

### School's rights during District Level Discipline Appeals:

1. The school administrator or other person presenting the school’s case has the right to inspect and question any written or physical evidence that the parent(s) or guardian(s) may be present at the hearing.
2. School personnel shall not be held legally responsible for suspensions and recommendations for expulsion made in good faith.

### At the Discipline Appeal Hearing:

1. The participants at the hearing will be limited to those with a relevant interest in the matter at hand, as determined by the Superintendent or designee.
2. Only the evidence presented at the hearing will be used to make a decision. No information may be provided to the Superintendent or designee outside of the hearing.
3. The person hearing the case must be neutral. He or she cannot be a witness to the incident that resulted in discipline or testify in the hearing.
4. The Superintendent or designee will provide a written decision. This written decision will be sent to the student or parent/guardian within approximately one calendar week, and shall include notice of the right of due process appeal to the school board.

### OSS Appeal ~ Six to Ten Days

In cases of suspension for six (6) or more days, the principal’s decision may be further appealed to the Superintendent or designee. The Superintendent or designee may uphold, reverse, or modify the suspension. The decision of the Superintendent’s Designee is final on an OSS appeal.

### Disciplinary Alternative Placement Committee Recommendations ~ Appeal Rights

If a parent does not agree with the decision reached by the Alternative Placement Review Committee, they may request an appeal to be heard by the Superintendent’s designee. This must be done in writing within three (3) days after receiving the Review Committee’s recommendation. The decision reached by the Superintendent’s designee will be final.

### Expulsion appeal information

If a parent does not agree with the decision reached at a district level discipline appeal hearing regarding the recommended expulsion, the parent/guardian may:

1. Formally appeal the recommendation for expulsion at the next regularly scheduled meeting of the School Board, by requesting an open or closed hearing before the Board.
2. This must be done in writing within three (3) days after receiving the Superintendent or designee’s decision at the conclusion of the hearing. If the parent elects to appeal to the Board, the decision of the Board is final.
3. If not appealed as described above, the Superintendent or designee’s recommendation is binding and not subject to further appeal, negotiation, or amendment by any party.

### Records of School Board proceedings

If a person intends to appeal the Board's decision with respect to any matter, or has any thought that an appeal may be taken, the person has the responsibility to ensure that a verbatim (word for word) record of the proceeding is made and that the record includes all testimony and evidence upon which an appeal is to be based.

### Disability Accommodations

If you are a person with a disability who requires reasonable accommodations in order to attend a School Board meeting, please call (727) 774-2649 or (813) 794-2649 or (352) 524-2649 not later than three (3) days prior to the meeting.

### Exclusionary Rule ~ No Trespass Clause

Students who are expelled shall be excluded from all District or school sponsored activities taking place at any District School Board of Pasco County school or campus, at any school function or on any school sponsored transportation, including but not limited to extracurricular, co-curricular, student organizations, graduation ceremonies, dances, and other events.

### Pasco County Ordinance sec. 66-153(b)

A minor who has been suspended or expelled from school may not be or remain in a public place (including school bus stops), in any establishment, or within 1,000 feet of a school during the hours of 9:00 a.m. to 2:00 p.m. during any school day.

### Students with Disabilities

In matters relating to the disciplining of students with disabilities, the Board shall abide by Federal and State laws regarding suspension and expulsion.
