

Adult Ed Rates of Pay 2018-2019

Part-time Adult Education Teachers

Teachers who teach or substitute for part-time adult education academic classes or part-time postsecondary adult career and technical classes shall be paid as follows:

- **Certified full-time Pasco County teachers** shall be paid their regular hourly rate, exclusive of all supplements except those provided for advanced degrees, based on their current full-time instructional position.
- **Certified adjunct teachers** who are not current full-time Pasco County teachers shall be paid an hourly rate equivalent to that of the minimum salary according to the most current Instructional Placement Schedule.

GED Test Administration

District and state-approved GED testing administrators/examiners shall be paid \$25.00 per hour and proctors for student supervision shall be paid \$12.00 per hour.

Drivers' Education Classes

Certified Drivers' Education teachers shall be paid \$25.00 per hour for the fee-supported course comprised of classroom and road instruction (minimum 15 students per scheduled class, maximum of 72 paid instructional hours per scheduled class).

Other Fee-Supported Classes

Teachers in fee-supported job or work-related courses and personal interest and specialized courses shall be paid \$25.00 per instructional hour. The required number of students needed to offer a class will be based upon the minimum number required to cover the teacher salary. If a specific course is to be offered with less than the minimum number of required students, the hourly fee must be raised accordingly. A consumable supply fee may be collected.
