JOB GOAL: Responsible for overseeing the implementation, tracking and follow up of interventions through the Multi-Tiered System of Supports process and all aspects of disability coordination to ensure compliance with the Head Start Performance Standards.

ESSENTIAL DUTIES & RESPONSIBILITIES:
The following statements of duties and responsibilities are intended to describe the general nature and level of work being performed by individuals assigned to this position. These statements are not intended to be an exhaustive list of all duties and responsibilities required of all personnel within this position.

1. Facilitate and coach teams through the problem solving process to develop and implement intervention and crisis plans for identified students.
2. Implement and coach school personnel on research based methods of classroom management and behavioral strategies.
3. Collaborate with Local Educational Agencies (LEA) to ensure the program is meeting the needs of children with disabilities and their families, including, but not limited to, interventions, evaluations, and referrals.
4. Participate in the development and implementation of Individualized Educational Programs (IEP) for identified students to ensure compliance with local, state, and federal regulations.
5. Collaborate with staff and other stakeholders to design and facilitate professional development instruction that promotes best practices, yields desired results, and meets district and state requirements.
6. Collect, summarize, and communicate children’s achievement data to provide program information for stakeholders to help plan professional development, program activities, and to maximize curriculum, assessment and instructional resources.
7. Document intervention plans that help monitor data and feedback from teachers and other stakeholders to support student progress.
8. Provide support to classrooms, including individualized support, screening and assessments, home visits, parent conferences, interventions and other supports to meet State and Federal requirements.
9. Assist in collecting, analyzing, interpreting and evaluating children’s achievement data to provide programmatic guidance and resources to schools.
10. Support staff in identifying effective research-based strategies and assist with professional development activities and data based decision-making aimed at improving children’s school readiness skills that help close the achievement gap.
11. Prepare and monitor all required reports and program functions for federal review and state requirements.
12. Prepare and update program written plans and procedures manual.
13. Perform other duties as assigned.

MINIMUM REQUIREMENTS:
Requirements are representative of minimum levels of knowledge, skills and/or abilities. To perform this job successfully, the incumbent will possess the abilities or aptitudes to perform each duty successfully. Reasonable accommodations may be made to enable qualified individuals with disabilities to perform the essential functions.

KNOWLEDGE, SKILLS & ABILITIES:
- Knowledge of current trends and research in teaching and learning.
- Knowledge of Multi-Tiered System of Supports.
- Possess strong interpersonal, consultation, and facilitation skills
- Knowledge of related federal, state, and local rules, regulations, statutes, and policies.
- Ability to analyze data and use data-driven decision making to implement effective programs.
- Ability to organize, prioritize, and manage work assignments in an efficient manner.
- Ability to read and interpret journals, articles, research studies, Florida statutes, Federal Regulations, state Board rules, and school Board policies.
- Ability to communicate effectively with a variety of audiences, orally and in writing, including electronic media.
DISTRICT SCHOOL BOARD OF PASCO COUNTY
Instructional
