

JOB TITLE: AIR CONDITIONING SPECIALIST

JOB DESCRIPTION:

This employee is responsible for repairing and installing all types of refrigeration and air conditioning equipment.

Duties of this position include but are not limited to:

1. Installing, repairing, and servicing all types of refrigeration and air conditioning equipment.
2. Setting up and maintaining preventive maintenance programs on all refrigeration and air conditioning equipment.
3. Other duties as assigned.

REQUIRED QUALIFICATIONS:

1. Appropriate valid Florida driver's license for vehicle(s) driven.
2. EPA approved Universal Type Refrigeration Recovery Certificate as required by Federal Law, Section 608 of the Clean Air Act.
3. Knowledge of tools and materials used in the trade.
4. Ability to detect and repair faulty equipment.
5. Functional literacy.
6. Demonstrated record of safe driving.

DESIRED QUALIFICATIONS:

1. Completion of a trade school or equivalent program in air conditioning and refrigeration.
2. Experience as a skilled refrigeration and air conditioning mechanic.
