

Educational Interpreter Project Professional Development: Partnership with CEUs On the Go

The Educational Interpreter Project is proud to announce our partnership with CEUs on the Go. This partnership means that Educational Interpreters within the state of Florida will now be able to attend professional development from the comfort of their school sites as well as their homes. This can be done in both individual and group settings.

Steps to register:

- Register with your email to <https://ceusonthe-go.com>.
 - If you have already registered please do not register again. Someone will help you if you have been locked out of your account.
- Browse the list of workshops under the activities section.
- Email the name of the workshop you would like to take to EIP@pasco.k12.fl.us.
 - Please include your name, email address registered to CEUs on the Go, district email address or agency verification form, and the title of the workshop you are interested in participating in.
- Wait up to 72 business hours for the training to be added to your bucket.
- Enjoy the training and make sure to complete the evaluation forms at the end of the workshop.
