| Sun	Mon	Tue	Wed	Thu
27	28	29	30	31
3	4	5	6	7
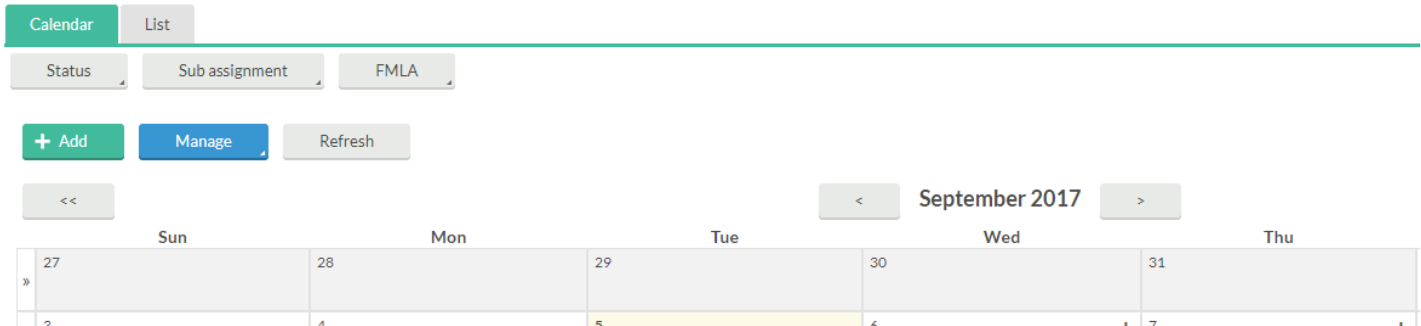

3. Click the plus symbol (**+**) on the calendar for the date of the request
4. Select or input the amount of time requested
   a. For full or half days, select the desired request type and duration from the templates on the left
      i. If applicable, change the start time in the **Start time** field
   b. For entries that are not a full or half day, select the desired leave type as **Other**
      i. If applicable, change the start time in the **Start time** field
      ii. Input the number of hours for the leave request in the **Hours** field, in decimal format – for example, to request five and a half hours, input 5.5; to request three and a quarter hours, input 3.25
5. For multi-day requests **of the same leave type and duration**, select the number of days from the **Days** drop-down
6. Click **Save** – leaves populate on the calendar in status **Pending** and the message **Operation Successful** appears

Cancel Time Off Request

1. Sign in to the Web Clock and navigate to **Requests** as noted in steps 1 – 5 in **Submit Time Off Request**
2. Right-click on the request that will be canceled – request must be in status **Pending**
3. Click **Delete**
4. A confirmation message appears – click **OK** to confirm deletion or **Cancel** to cancel deletion
5. The leave request is removed from the calendar and the message **Operation Successful** appears

View Leave Accrual Balances

1. Sign in to the Web Clock as noted in steps 1 – 4 in **Submit Time Off Request**
2. Click **View** and select **Accruals**
