

Food that's in when school is out.

The Summer Food Service Program (SFSP) provides lunches for hungry children during the long summer vacation. This summer, the District School Board of Pasco County will provide FREE summer meals at the locations and times listed below. All students may visit any site listed as "open" or "open restricted." **Open-restricted** sites provide a limited number of meals on a first come, first served basis. **Closed enrolled** sites provide summer meals to only students enrolled in school-based summer programs.
