

GUIDELINES

for the Development of School Attendance Boundaries

School attendance boundaries should:

Socioeconomic Balance

Provide a balance of racial and economic diversity among the populations served.

Feeder Patterns

Maintain an in-line feeder pattern to the greatest extent possible.

Future Growth and Capacity

Appropriately provide for future growth and optimum utilization of schools within the proposed boundaries.

Transportation

Provide for the safe and efficient transportation of students to and from school.

Subdivision Integrity

To the extent possible, incorporate complete neighborhood communities.

Planning Integrity

To the extent possible, should consider long term school construction plans in order to provide long term stability to areas affected by proposed boundary changes.
