MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPB, Purchasing Agent

RE: Bid #04-094-LR, Surplus R-502 Freon – Maintenance Department
CFC Refimax

On February 3, 2004, the Board approved permission to negotiate the selling of surplus R-502 Freon with any interested party under the same terms and conditions of Bid #04-094-LR (attached).

Recently the Maintenance Department has been negotiating with CFC Refimax (attached) to sell eight (8) pallets of surplus R-502 Freon, approximately 1200 lbs. per pallet. CFC Refimax has offered to purchase the surplus Freon for \$4.75 per pound for a total of \$45,600. The price offered by CFC Refimax is above the average, based upon buying trends by other companies.

At this time, it is my recommendation to sell the eight (8) pallets of surplus R-502 Freon to CFC Refimax for \$4.75. Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me at your earliest convenience.
