RE: Third Year Renewal of Three-Year Contract
Bid # 07-078-GF: Parts Washers
Zep Manufacturing Company

On February 20, 2007, official action was taken to award the above-referenced bid to Zep Manufacturing Company. This bid is a three-year contract, renewable annually based upon mutual consent of both parties. The second year of the contract will expire on February 21, 2009.

Considering services have been satisfactory, James Farrell, Director of Sales, Zep Manufacturing Company, was contacted to verify his willingness to enter into the third year of the agreement. As such, Zep Manufacturing Company has agreed in writing to enter into the third year of the contract.

At this time, it is my recommendation to enter into the third year of the agreement with Zep Manufacturing Company. The third year of the contract will cover the period February 22, 2009 through February 21, 2010.

RE: Direct Negotiations 07-078-GF
Parts Washers

On December 19, 2006 we submitted a bid for Board action for Parts Washers with a notation requesting permission to negotiate with interested parties because the bid was rejected due to receiving no responses to the bid.

After The Board's approval to negotiate, we contacted Zep Manufacturing Company, the only vendor interested in negotiating. Subsequently, the Purchasing and Transportation Departments reached a successful agreement with Zep Manufacturing Company for parts washer service. As a result of the negotiations, it is our recommendation to approve the attached agreement with Zep Manufacturing Company.

This will be the first year of a three-year bid that is renewable annually by written mutual consent and approval by The Board. The first year of the contract will commence on February 22, 2007 and continue through February 21, 2008. Estimated total for this bid is \$43,000.

Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me.
