

FRONT-LOAD SOLID WASTE CONTAINER

LIST OF UNACCEPTABLE ITEMS

PER PASCO COUNTY ORDINANCE THE FOLLOWING NON-PROCESSABLE WASTE IS PROHIBITED:

- Appliances (dryer, grills, refrigerator, stove, washer, etc.)
- Building Materials (concrete, drywall, tile, etc.)
- Demolition Material (ashes, clay, gravel, rock, sand, etc.)
- Fluorescent Light Bulbs and Ballasts
- Hazardous Materials and Medical Waste
- Lawnmowers and Other Lawn Equipment
- Liquid Waste (gasoline, freon, motor oil, etc.)
- Marine Vessels or Parts
- Metal Furniture (containing more than 50% metal)
- Paint and Solvents
- Pesticides and Insecticides
- Roofing Materials
- Whole Tanks (acetylene, gas, oxygen, propane, septic, sealed drums)
- Treated Lumber
- Tree Branches (larger than 6" diameter or longer than 4' in length)
- Vehicle Parts

All solid waste trash should be bagged, tied securely, and placed inside of your front-load container. All front-load containers will be pressure washed once per container per year by request.
