Florida Standards Assessment

The Florida Standards Assessment (FSA) measures student achievement of the *Florida Standards*, which specify the challenging content Florida students are expected to know and perform.

The cut scores identify the Performance levels 1-5. Proficiency is defined as scoring at Levels 3, 4, or 5. Since 2014, students have been allowed to test above grade level to align with the student’s instruction (e.g., 7th grader receiving 8th grade instruction in math would take the Grade 8 FSA math assessment).

Students in grade 10 must achieve an FSA English Language Arts (ELA) scale score in Performance Level 3 or higher to meet the graduation requirement. The student does have the opportunity to retake the test up to five times prior to graduation. Students in grade 3 must achieve an FSA ELA scale score in Performance Level 2 or higher, or show good cause, to be eligible for promotion.

ELA

Pasco’s percentage of students scoring at levels 3-5 was the same or higher than the state in grades 3, 8, 9, and 10.
