

THE UNIVERSITY *of* SOUTH FLORIDA

IS OFFERING A NEW DOCTOR OF EDUCATION (ED. D.) PROGRAM IN EDUCATIONAL INNOVATION.

The program, which takes about three years to complete, is designed for working professionals who want to learn more about how to create, launch, and evaluate promising, sustainable innovations in their own professional settings.

Through flexible class scheduling, distance and hybrid courses, and independent study, students will be able to complete most of the 54 required credit hours close to their homes and work.
