District School Board of Pasco County 2010-2011 School Profile

Bayonet Point Middle School

Principal: Michael Asbell

Message from the Superintendent

The 2010-2011 school year is off to a great start, as we have a strong team of talented educators working throughout our schools every day. We are eager to partner with you to make this a successful school year for your child. One important way we can work together to maximize your child's potential is to reinforce the expectation of good attendance. When students prioritize being at school on time, they are more likely to have a successful experience. We appreciate your help in achieving this important goal.

Our theme for the year is *Learning in the 21st Century*. You will notice an emphasis on the integration of technology into your child's learning as we strive to prepare all students for the challenges of tomorrow and provide equitable access to the tools he or she will need for success. Additionally, our focus is on developing the 21st Century Literacy skills that are needed in our ever-changing world. We want to help our students become better problem solvers, engaged in the world around them and equipped with the critical thinking skills that are needed for analyzing, developing innovative solutions and sharing their creativity with others. Today's students are tomorrow's leaders and we are fostering a supportive learning environment that will help them to reach their dreams.

As we immerse students in an enriching educational environment, we will be expanding the availability of digital learning content. With the use of these resources comes the need for a higher level of personal responsibility for students. We want to help your child develop an understanding of how to navigate online resources in a responsible and safe manner. As part of the cultivation of those skills, we will enforce high expectations that all students will appropriately use these tools to enhance their education. Your help in reminding your child to use technology in an appropriate manner would be greatly appreciated.

As you are probably aware, our District still faces significant financial challenges. In addition to a third consecutive year of multi-million dollar budget shortfalls, districts throughout the state are required to implement the final phase of the class size amendment this year. Despite these challenges, we remain committed to prioritizing the needs of students and ensuring a high quality educational experience for the children of Pasco County.

Again, thank you for your support of our school district. We look forward to working with you to maximize your child's success this year.

Heather Fiorentino
Superintendent

Heather Fiorentino, Superintendent of Schools

Message from the Principal

During the 2009-10 school year, the Bayonet Point Middle School community worked hard to achieve academic success. Due to this effort, we earned a school grade of "A". Bayonet Point has had a tradition of meeting the needs of its students and helping them reach their fullest potential in a safe and nurturing environment. We are proud to be a part of a dedicated team that makes a difference in the lives of children. Our community of parents, business partners, teachers and students work together to make school a positive experience for all of our stakeholders. This year, we are looking forward to building on that successful tradition.

School Mission Statement

Bayonet Point Middle School strives to provide all students with the academic and social skills necessary for future life long success through rigorous and relevant learning opportunities.

Learning Environment

The District School Board of Pasco County provides an environment conducive to teaching and learning.

Percentage of students on free or reduced price lunch:

School Membership
Total Students
(September 2010)

942

74.4%

Students with good attendance perform better in school.

School Improvement Plan 2010-2011

During the 2009-10 school year, the students and staff focused on improving student performance in reading, writing, science and mathematics. Several initiatives implemented for this effort include: Learning Focused Strategies, Writing across the curriculum using the DRAPES model, and Study Island for science and math.

Bayonet Point Middle School made gains during the 2009-10 school year in reading, math and science. Although we did not meet our goals, we made gains in the following areas: Two percent (2%) increased in meeting reading high standards, five percent (5%) increased in meeting math high standards, three percent (3%) increased in meeting science high standards. The students in our AYP sub groups, made a five percent (5%) increase in math learning gains. Eighty-nine percent (89%) of our students were proficient in writing.

Florida School Grade and Adequate Yearly Progress (AYP)

The percent of students scoring at certain levels are used to calculate school accountability results.

Our school was assigned the grade of **A** for the 2009-2010 school year.

Family and Community Involvement

Families and community members are encouraged to volunteer in our schools. There are many areas in which volunteers assist: assisting teachers, working with students, supervising students, and helping with school activities to name just a few. To register to be a volunteer at a school go to www.pasco.k12.fl.us and click on the Volunteer Application.

Family and community involvement make a significant difference in a child's success.

Volunteer Hours

Number of hours volunteered at this school during the 2009-2010 school year:
1,223

Number of hours volunteered district wide during the 2009-2010 school year:
361,704
