District School Board of Pasco County 2010-2011 School Profile

Gulf Middle School

Principal: Stan Trapp

Message from the Superintendent

The 2010-2011 school year is off to a great start, as we have a strong team of talented educators working throughout our schools every day. We are eager to partner with you to make this a successful school year for your child. One important way we can work together to maximize your child's potential is to reinforce the expectation of good attendance. When students prioritize being at school on time, they are more likely to have a successful experience. We appreciate your help in achieving this important goal.

Our theme for the year is *Learning in the 21st Century*. You will notice an emphasis on the integration of technology into your child's learning as we strive to prepare all students for the challenges of tomorrow and provide equitable access to the tools he or she will need for success. Additionally, our focus is on developing the 21st Century Literacy skills that are needed in our ever-changing world. We want to help our students become better problem solvers, engaged in the world around them and equipped with the critical thinking skills that are needed for analyzing, developing innovative solutions and sharing their creativity with others. Today's students are tomorrow's leaders and we are fostering a supportive learning environment that will help them to reach their dreams.

As we immerse students in an enriching educational environment, we will be expanding the availability of digital learning content. With the use of these resources comes the need for a higher level of personal responsibility for students. We want to help your child develop an understanding of how to navigate online resources in a responsible and safe manner. As part of the cultivation of those skills, we will enforce high expectations that all students will appropriately use these tools to enhance their education. Your help in reminding your child to use technology in an appropriate manner would be greatly appreciated.

As you are probably aware, our District still faces significant financial challenges. In addition to a third consecutive year of multi-million dollar budget shortfalls, districts throughout the state are required to implement the final phase of the class size amendment this year. Despite these challenges, we remain committed to prioritizing the needs of students and ensuring a high quality educational experience for the children of Pasco County.

Again, thank you for your support of our school district. We look forward to working with you to maximize your child's success this year.

Heather Fiorentino
Superintendent

Heather Fiorentino, Superintendent of Schools

Message from the Principal

I am proud to be associated with the staff, parents, and students of the Gulf Middle community. We have planned many family activities. Events like Open House, Bring Your Parent to School Day, Great American Teach-in, Family Night, Curriculum Fair, Writing Academy Night, and the Honor Roll Assemblies are all opportunities for parents to visit and participate with us in the education of their children. I am pleased that our school has been a High Performing School, and I am eager for the challenge of continuing the Gulf Middle tradition of academic excellence. I look forward to working with our families to help our students reach their highest potential.

School Mission Statement

The mission of Gulf Middle School is to provide a safe environment in which students are challenged through meaningful experiences to become lifelong learners.

Learning Environment

The District School Board of Pasco County provides an environment conducive to teaching and learning.

School Improvement Plan 2010-2011

The staff focused on school improvements in the academic areas of Reading, Math, Writing, and Science as well as Graduation Enhancement and School Safety. The entire GMS faculty participated in school-wide implementation of research-based strategies that impact achievement. The faculty met weekly to discuss student performance in reading and to develop strategies for improving student reading achievement. Each academic team used the Team Inquiry for Results template to guide their action research into the most effective strategies for teaching. In addition, the faculty and staff reviewed discipline data and participated in effective classroom management training. Finally, a learning lab was established to provide additional academic support for students.

Teachers and Staff

The schools, district and state ensure professional teachers and staff.

Total Number of Instructional Staff
57

Number of newly-hired instructional staff members and administrators at this school:
2

Percentage of out-of-field teachers in 2009-2010:
5.1

Percent of instructional/administrative staff who were newly hired in 2009-2010:

School	District	State
3.3%	13.3%	14.8%

Degree Level of Teachers

	Bachelor's Degree	Post-Graduate Degree
School	39	14
Percentage	73.6%	26.4%
Districtwide	69.2%	30.8%
Statewide	65.3%	34.7%

Pasco County is proud to have 192 National Board Certified Teachers employed in our schools.

Family and Community Involvement

Families and community members are encouraged to volunteer in our schools. There are many areas in which volunteers assist: assisting teachers, working with students, supervising students, and helping with school activities to name just a few. To register to be a volunteer at a school go to www.pasco.k12.fl.us and click on the Volunteer Application.

Family and community involvement make a significant difference in a child's success.
