Message from the Superintendent

The 2010-2011 school year is off to a great start, as we have a strong team of talented educators working throughout our schools every day. We are eager to partner with you to make this a successful school year for your child. One important way we can work together to maximize your child's potential is to reinforce the expectation of good attendance. When students prioritize being at school on time, they are more likely to have a successful experience. We appreciate your help in achieving this important goal.

Our theme for the year is *Learning in the 21st Century*. You will notice an emphasis on the integration of technology into your child's learning as we strive to prepare all students for the challenges of tomorrow and provide equitable access to the tools he or she will need for success. Additionally, our focus is on developing the 21st Century Literacy skills that are needed in our ever-changing world. We want to help our students become better problem solvers, engaged in the world around them and equipped with the critical thinking skills that are needed for analyzing, developing innovative solutions and sharing their creativity with others. Today's students are tomorrow's leaders and we are fostering a supportive learning environment that will help them to reach their dreams.

As we immerse students in an enriching educational environment, we will be expanding the availability of digital learning content. With the use of these resources comes the need for a higher level of personal responsibility for students. We want to help your child develop an understanding of how to navigate online resources in a responsible and safe manner. As part of the cultivation of those skills, we will enforce high expectations that all students will appropriately use these tools to enhance their education. Your help in reminding your child to use technology in an appropriate manner would be greatly appreciated.

As you are probably aware, our District still faces significant financial challenges. In addition to a third consecutive year of multi-million dollar budget shortfalls, districts throughout the state are required to implement the final phase of the class size amendment this year. Despite these challenges, we remain committed to prioritizing the needs of students and ensuring a high quality educational experience for the children of Pasco County.

Again, thank you for your support of our school district. We look forward to working with you to maximize your child's success this year.

Message from the Principal

Welcome to Gulfside! My staff and I are proud to be able to serve your child and family. For the past 14 years we have been awarded the Five Star School Award for exemplary home/school partnerships. It is important to me that parents feel good about sending their children to our school and it is our goal to ensure that each child finds success and demonstrates a sense of school spirit and pride each and everyday. In order to achieve that goal, we have to work together. Please visit, call or email your Teachers often and contact me if you ever have questions or concerns. We're here to help!

School Mission Statement

The mission of Gulfside Elementary School is to work in partnership with families to ensure that each student acquires the knowledge, skills and core values necessary to achieve personal success and to enrich the community.

School Improvement Plan 2010-2011

All members of our school community worked together to successfully implement 100 percent of the strategies identified in our School Improvement Plan. Student achievement data reveals improvement in all areas. Our third grade students posted the highest Florida Comprehensive Assessment Test scores in school history, our fourth grade students outperformed the district in math learning gains and writing performance and our fifth grade students posted the highest scores in school history in science. Our priority goal was to improve writing instruction and student writing performance in all classrooms. Our partnership and training with USF's Tampa Bay Writing Project helped us to meet that goal.

The text "Help Keep Your School Safe" is written in a large, bold, white font across the top. Below the students, the text "Report drugs, guns, weapons, violence, bullying, and other criminal activities." is written in a bold, black font. At the bottom, the words "Remain Anonymous" are written in a large, bold, black font. In the bottom left corner, there is a logo for Pasco County Schools with the tagline "Helping Students Reach Their Potential". In the bottom right corner, there is a logo for Crime Stoppers of Tampa Bay with the phone number 1-800-873-TIPS. A black banner at the very bottom contains the text "Campus Crime Stoppers Hotline 1-800-873TIPS (8477)", "Web Tip: <http://www.crimestopperstb.com>", and "Text Tip: Text 'CSTB plus your message' to CRIMES (274637)".
