Message from the Superintendent

The 2010-2011 school year is off to a great start, as we have a strong team of talented educators working throughout our schools every day. We are eager to partner with you to make this a successful school year for your child. One important way we can work together to maximize your child's potential is to reinforce the expectation of good attendance. When students prioritize being at school on time, they are more likely to have a successful experience. We appreciate your help in achieving this important goal.

Our theme for the year is *Learning in the 21st Century*. You will notice an emphasis on the integration of technology into your child's learning as we strive to prepare all students for the challenges of tomorrow and provide equitable access to the tools he or she will need for success. Additionally, our focus is on developing the 21st Century Literacy skills that are needed in our ever-changing world. We want to help our students become better problem solvers, engaged in the world around them and equipped with the critical thinking skills that are needed for analyzing, developing innovative solutions and sharing their creativity with others. Today's students are tomorrow's leaders and we are fostering a supportive learning environment that will help them to reach their dreams.

As we immerse students in an enriching educational environment, we will be expanding the availability of digital learning content. With the use of these resources comes the need for a higher level of personal responsibility for students. We want to help your child develop an understanding of how to navigate online resources in a responsible and safe manner. As part of the cultivation of those skills, we will enforce high expectations that all students will appropriately use these tools to enhance their education. Your help in reminding your child to use technology in an appropriate manner would be greatly appreciated.

As you are probably aware, our District still faces significant financial challenges. In addition to a third consecutive year of multi-million dollar budget shortfalls, districts throughout the state are required to implement the final phase of the class size amendment this year. Despite these challenges, we remain committed to prioritizing the needs of students and ensuring a high quality educational experience for the children of Pasco County.

Again, thank you for your support of our school district. We look forward to working with you to maximize your child's success this year.

Heather Fiorentino, Superintendent of Schools

Superintendent

Message from the Principal

At Gulf Trace Elementary, we celebrate the relationships between our faculty and staff, students, parents and other stakeholders. We are proud of the recognition of being the first Certified Silver LEED School in the state of Florida, which has assisted our students and community to embrace the need of taking care of our environment. As we began our third year and continued to see growth in our student enrollment, the staff dedicated themselves to providing our students with the best learning opportunities possible. Many of our students have shown learning gains in all areas preparing them to become successful citizens in our communities.

School Mission Statement

Successful Teams at Gulf Trace Elementary will Achieve Relationships with Students by developing lifelong learners and problem solvers in a positive, meaningful environment where students can achieve their personal best.

Learning Environment

The District School Board of Pasco County provides an environment conducive to teaching and learning.

School Improvement Plan 2010-2011

Our School Improvement Plan focused on Student Achievement and providing a Safe School Environment. Although we addressed all academic areas, our school wide emphasis was in the areas of reading and math. By participating in the Response to Intervention pilot program, our teachers met as teams several times throughout the year and used data to both identify students with needs and make plans to address those needs. Our staff was involved in a variety of professional development opportunities to give them tools to address the areas of literacy workstations, math workstations, small group instruction, and writing across the curriculum. We continued to utilize the 1,2,3 Magic discipline program and implemented weekly social skill lessons. With this we were able to decrease our Office Discipline Reports tremendously. With the consistent use of 1,2,3 Magic and our school wide procedures our students and staff all felt safe each day. Gulf Trace is a wonderful place to spend each day!

A black and white photograph of a diverse group of about ten students of various ethnicities and ages, smiling and posing outdoors under a large tree. Some students have their arms raised.

Help Keep Your School Safe

Report drugs, guns, weapons, violence, bullying, and other criminal activities.

Teachers and Staff

The schools, district and state ensure professional teachers and staff.

Total Number of Instructional Staff
39

Number of newly-hired instructional staff members and administrators at this school:
4

Percentage of out-of-field teachers in 2009-2010:
3.5

Percent of instructional/administrative staff who were newly hired in 2009-2010:

School	District	State
9.8%	13.3%	14.8%

Degree Level of Teachers

	Bachelor's Degree	Post-Graduate Degree
School	78.4%	21.6%
Districtwide	69.2%	30.8%
Statewide	65.3%	34.7%

Family and Community Involvement

Families and community members are encouraged to volunteer in our schools. There are many areas in which volunteers assist: assisting teachers, working with students, supervising students, and helping with school activities to name just a few. To register to be a volunteer at a school go to www.pasco.k12.fl.us and click on the Volunteer Application.

Family and community involvement make a significant difference in a child's success.

Pasco County is proud to have 192 National Board Certified Teachers employed in our schools.

Volunteer Hours

Number of hours volunteered at this school during the 2009-2010 school year:
501

Number of hours volunteered district wide during the 2009-2010 school year:
361,704

Student Performance

Our students successfully compete at the highest levels nationally and internationally and are prepared to make well-reasoned and healthy lifelong decisions.

School wide proficiency data by subgroup

The state target proficient percent for this year is 72% for reading and 78% for mathematics.

	White	Black	Hispanic	Asian	American Indian	Disabled	Economically Disadvantaged	ELL
Reading								
Grade 3 %	72	63	67	100	0	50	65	100
Grade 4 %	72	33	40	100	100	28	55	0
Grade 5 %	57	100	77	0	0	36	56	0
Mathematics								
Grade 3 %	66	25	33	100	0	33	56	100
Grade 4 %	71	33	20	100	0	28	53	0
Grade 5 %	37	50	11	0	0	21	28	0

Florida School Grade and Adequate Yearly Progress (AYP)

The percent of students scoring at certain levels are used to calculate school accountability results.

Our school was assigned the grade of C for the 2009-2010 school year.

FCAT Achievement

The Florida Comprehensive Assessment Test (FCAT) provides feedback on students' performance on the Sunshine State Standards. Data reported from spring 2010. A level 3 or higher in science, math and reading is the minimum state standard, while a 3.5 or higher is the minimum state standard for writing.

Level	Reading					Math					Science				
	1	2	3	4	5	1	2	3	4	5	1	2	3	4	5
Grade 3															
School %	18	12	40	31	0	17	22	38	19	4
