Message from the Superintendent

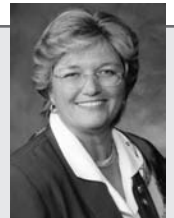

The 2010-2011 school year is off to a great start, as we have a strong team of talented educators working throughout our schools every day. We are eager to partner with you to make this a successful school year for your child. One important way we can work together to maximize your child's potential is to reinforce the expectation of good attendance. When students prioritize being at school on time, they are more likely to have a successful experience. We appreciate your help in achieving this important goal.

Our theme for the year is *Learning in the 21st Century*. You will notice an emphasis on the integration of technology into your child's learning as we strive to prepare all students for the challenges of tomorrow and provide equitable access to the tools he or she will need for success. Additionally, our focus is on developing the 21st Century Literacy skills that are needed in our ever-changing world. We want to help our students become better problem solvers, engaged in the world around them and equipped with the critical thinking skills that are needed for analyzing, developing innovative solutions and sharing their creativity with others. Today's students are tomorrow's leaders and we are fostering a supportive learning environment that will help them to reach their dreams.

As we immerse students in an enriching educational environment, we will be expanding the availability of digital learning content. With the use of these resources comes the need for a higher level of personal responsibility for students. We want to help your child develop an understanding of how to navigate online resources in a responsible and safe manner. As part of the cultivation of those skills, we will enforce high expectations that all students will appropriately use these tools to enhance their education. Your help in reminding your child to use technology in an appropriate manner would be greatly appreciated.

As you are probably aware, our District still faces significant financial challenges. In addition to a third consecutive year of multi-million dollar budget shortfalls, districts throughout the state are required to implement the final phase of the class size amendment this year. Despite these challenges, we remain committed to prioritizing the needs of students and ensuring a high quality educational experience for the children of Pasco County.

Again, thank you for your support of our school district. We look forward to working with you to maximize your child's success this year.

Heather Fiorentino
Superintendent

Heather Fiorentino, Superintendent of Schools

Message from the Principal

The 2009-2010 school year was very successful. Our school earned the Golden School Award for volunteer hours, and the Five Star Award for community involvement. Our students have utilized technology in a variety of ways preparing them to excel in the 21st century. In addition, our school continued to value the fine arts through an art show, a spring play, two winter concerts, and monthly Fine Arts Friday activities. Students continued to reach out beyond our school boundaries through a successful food and book drive and actively promoting school-wide recycling. We are proud of all the accomplishments for the year and look to continued excellence during the 2010-2011 school year.

School Mission Statement

Sand Pine Elementary School will create a safe, respectful, standards-driven environment where all actions are designed to have an impact on learning.

Learning Environment

The District School Board of Pasco County provides an environment conducive to teaching and learning.

School Improvement Plan 2010-2011

During the 2009-2010 school year, our School Improvement Plan focused on areas of student achievement in reading and math, as well as, safe and student friendly schools. We made successful progress in all areas addressed. We were proud to achieve the designation of having met the federal criteria for Adequate Yearly Progress for all of our students. Eighty-six percent of our students scored at or above grade level in reading and 79 percent did so in math. Eighty percent of our students met high standards in writing on the FCAT Writes. Our parent surveys reflect great satisfaction with our school, and parents believe that we provide a safe environment for teaching and learning. Most importantly, we were able to address the needs of all of the students in our various subgroups, so they successfully achieved learning gains.

Help Keep Your School Safe

Report drugs, guns, weapons, violence, bullying, and other criminal activities.

Teachers and Staff

The schools, district and state ensure professional teachers and staff.

Total Number of Instructional Staff
44

Number of newly-hired instructional staff members and administrators at this school:

1

Percentage of out-of-field teachers in 2009-2010:

8.3

Percent of instructional/administrative staff who were newly hired in 2009-2010:

School	District	State
2.2%	13.3%	14.8%

Degree Level of Teachers

	Bachelor's Degree	Post-Graduate Degree
School	78.6%	21.4%
Districtwide	69.2%	30.8%
Statewide	65.3%	34.7%

Pasco County is proud to have 192 National Board Certified Teachers employed in our schools.

Family and Community Involvement

Families and community members are encouraged to volunteer in our schools. There are many areas in which volunteers assist: assisting teachers, working with students, supervising students, and helping with school activities to name just a few. To register to be a volunteer at a school go to www.pasco.k12.fl.us and click on the Volunteer Application.

Family and community involvement make a significant difference in a child's success.
