Message from the Superintendent

The 2010-2011 school year is off to a great start, as we have a strong team of talented educators working throughout our schools every day. We are eager to partner with you to make this a successful school year for your child. One important way we can work together to maximize your child's potential is to reinforce the expectation of good attendance. When students prioritize being at school on time, they are more likely to have a successful experience. We appreciate your help in achieving this important goal.

Our theme for the year is *Learning in the 21st Century*. You will notice an emphasis on the integration of technology into your child's learning as we strive to prepare all students for the challenges of tomorrow and provide equitable access to the tools he or she will need for success. Additionally, our focus is on developing the 21st Century Literacy skills that are needed in our ever-changing world. We want to help our students become better problem solvers, engaged in the world around them and equipped with the critical thinking skills that are needed for analyzing, developing innovative solutions and sharing their creativity with others. Today's students are tomorrow's leaders and we are fostering a supportive learning environment that will help them to reach their dreams.

As we immerse students in an enriching educational environment, we will be expanding the availability of digital learning content. With the use of these resources comes the need for a higher level of personal responsibility for students. We want to help your child develop an understanding of how to navigate online resources in a responsible and safe manner. As part of the cultivation of those skills, we will enforce high expectations that all students will appropriately use these tools to enhance their education. Your help in reminding your child to use technology in an appropriate manner would be greatly appreciated.

As you are probably aware, our District still faces significant financial challenges. In addition to a third consecutive year of multi-million dollar budget shortfalls, districts throughout the state are required to implement the final phase of the class size amendment this year. Despite these challenges, we remain committed to prioritizing the needs of students and ensuring a high quality educational experience for the children of Pasco County.

Again, thank you for your support of our school district. We look forward to working with you to maximize your child's success this year.

Message from the Principal

The motto of West Zephyrhills Elementary, “Where Everyone Succeeds Together,” symbolizes the spirit of collaboration embraced by all shareholders. We maintain a safe, nurturing learning environment focused on preparing our students to become well-educated, productive citizens capable of reaching their highest potentials. The service of volunteers resulted in our earning the Golden School and Five Star School Awards. We thank the PTA, Chamber of Commerce, Kiwanis, Rotary, RSVP and Zephyrhills Fire and Police Departments for supporting school events and programs. These ties between the school and community contributed to the successes of our children. As a result of the hard work of all shareholders, West Zephyrhills Elementary is recognized as an 'A' School.

School Mission Statement

The mission of West Zephyrhills Elementary School is to provide a safe, nurturing environment for developing academically informed, responsible students with positive attitudes and strong community values. We believe all children have the right to participate in developmentally appropriate learning opportunities that enable them to reach their highest potentials academically, socially, emotionally and physically.
