

# FDLRS Parent Services Placemat of Services

## ESE Parent Collaborative Network

This is an opportunity for families, community and District personnel to work collaboratively and creatively in supporting Pasco County School initiatives.

## Parent Trainings (ESE)

- Disability Awareness
- Developing IEPs
- Self-Determination
- Assistive Technology
- Transition Planning/Guardianship
- MTSS
- CPALMS/Standards

**\*\*Trainings can be developed and/or located upon request!**

## LRP Spec Ed Connections

The Florida Department of Education provides access to *Special Ed Connection*® at no cost to families of individuals with disabilities who are enrolled in special education programs. This resource assists families in gaining a better understanding of special education processes and learn how to help children benefit from special education services.

## Technical Assistance and Resource Dissemination

Connecting with parents, families, teachers and district staff to provide updated resources and sharing of information.

- Parent calls, emails, etc.
- IEP Meeting and Staffing Support
- Understanding ESE process
- **ESE PARENT SURVEY**

**\*\*Other duties as aligned to FDLRS Project Tracking System**
