

Classroom Transfer Process

A parent has the right to request that his or her student be transferred to a different classroom teacher; however, this does not give a parent the right to choose a specific classroom teacher. A request for such transfer is to be made in writing to the school principal. Within 2 weeks after receiving the request, the school will approve or deny the request. A denial of such a request shall specify the reason(s). The school principal's decision is final.

A parent whose student is assigned an out-of-field teacher may request that his or her child be transferred to an in-field classroom teacher within the school and grade in which the student is currently enrolled; however, this does not give a parent the right to choose a specific classroom teacher. A request for such transfer is to be made in writing to the school principal. The school district must approve or deny the parent's request and transfer the student to a different classroom teacher within a reasonable period of time, not to exceed 2 weeks, if an in-field teacher for that course or grade level is employed by the school and the transfer does not violate maximum class size pursuant to s. 1003.03 and 3677 s. 1, Art. IX of the State Constitution. If a request for transfer is denied, the school must notify the parent and specify the reason(s).
