Summer 4-Day Work Week Schedule

We begin our summer work schedule next week.

The Monday through Thursday summer schedule runs through August 2, with the exception of the week that includes July 4, since that holiday falls on a Thursday. That week, employees will work normal work hours on Monday, Tuesday, Wednesday, and Friday. General district work hours for 4-day weeks are 7:30 a.m. to 5:30 p.m. Monday through Wednesday and 7:30 a.m. to 5 p.m. on Thursday.

Common Core Myth Buster

This is going to be a regular feature in our weekly newsletter to staff. It's important that we know the facts about Common Core State Standards so that we can educate our parents and the community about the benefits of this more rigorous set of academic standards.

In 2009, the National Governors Association and the Council of Chief State School Officers convened a group of leading experts to develop consistent, clear standards for what K-12 students are expected to learn. In 2010, the Florida Board of Education adopted the Common Core State Standards. Currently, more than 40 states have adopted the CCSS. The CCSS are a state-driven, voluntary set of standards, and the curriculum is set by each state. **Click here** to visit the district's Common Core web page for more information.
