New Directions Behavioral Health

NDBH is Florida Blue's partner for behavioral health capabilities and programs. NDBH manages behavioral health services for BlueCare HMO and BlueOptions PPO members receiving services in Florida. New Directions provides a centralized solution that coordinates all of the patient's behavioral health care needs (i.e., authorization and manages utilization management).

Once you locate a participating behavioral health specialist (counselor, psychologist, psychiatrist), just confirm he/she is contracted with your health plan network (BlueCare HMO or BlueOptions PPO). Then provide your Florida Blue Member ID card and pay \$35 copay per office visit. The provider will submit the claims directly to Florida Blue.
