

Savings are Coming Your Way!

Florida Blue 
In the pursuit of health

Your pharmacy network is designed to save you money. In the new benefit year, Walgreens will be your exclusive retail pharmacy.

Walgreens can save you money

You'll pay a lower price for many prescriptions at Walgreens. Sometimes the savings will be big! This means you'll often pay less when you have a deductible to meet. Or if the drug costs less than your copay, you'll pay the lower price¹.

At the corner or online—you'll find a Walgreens near you

With more than 800 locations in Florida (many with health care clinics) you'll find a Walgreens close to you. Add Walgreens' mobile app to your smartphone, and you can refill or transfer prescriptions, make a personal shopping list, order photos and browse weekly specials.

Moving your prescriptions

If you're using a retail pharmacy other than Walgreens, think about moving your prescriptions to Walgreens today. You can view a list of Walgreens pharmacies at floridablue.com/exclusivepharmacy.

Here's how to easily make the switch:

- Call or stop by your local Walgreens and tell the pharmacist you want to move your prescriptions from another pharmacy. They'll help you make the switch. Just have a list of your current medications handy.
- Using the free Walgreens mobile app on your smartphone, take a picture of your medicine bottle and send it to your nearest Walgreens.

If you continue to use a retail pharmacy other than Walgreens in the new benefit year, you'll experience higher out-of-pocket costs.

- You'll pay the full price of your medication out of your pocket if you don't have out-of-network pharmacy benefits.
- If you have out-of-network pharmacy benefits, you'll pay the full price of your medication and can file a claim for reimbursement. Your reimbursement will be based on out-of-network benefits.

Please refer to your summary of benefits to see if you have out-of-network pharmacy benefits. For greatest savings and convenience, always use an in-network pharmacy. If you currently fill prescriptions at a Walgreens pharmacy, you don't need to take any action.

¹Retail costs reflect the estimated amount you'll pay after your health plan's cost share, such as copay or coinsurance, have been met. Actual cost will be determined at the time of purchase.

Pharmacy Benefit

Provider: Prime Therapeutics, Florida Blue's Pharmacy Benefit Manager

WHAT'S NEW? EFFECTIVE JANUARY 1, 2022

WALGREENS IS YOUR EXCLUSIVE RX NETWORK

- To help lower costs and save you money, your pharmacy network is changing in the new benefit year. **Effective January 1, 2022, Walgreens** will be your exclusive retail pharmacy. You **may only** fill prescriptions for **generic** and/or **Brand Name drugs** at your local **Walgreens** retail pharmacy. **This does NOT apply to Self-Administered Specialty Drugs**. Using any other retail pharmacy would be **out of network** for HMO members and **NOT covered**. For PPO members, it would be **more out of pocket** and you would have to pay upfront and file a claim for reimbursement.
- You have 2 options at **Walgreens**; up to a 30 day supply or up to a 90-day supply for long-term medications.
- **Mail-order for up to a 90-day supply** will continue to be provided through **Express Scripts Pharmacy**. You pay less for ordering a 90-day supply by mail, rather than going to a retail pharmacy, one month at a time. Call 1-866-230-7261 to get started.
- **NEW!** Fill all of your **Self-Administered Specialty medications** using **Accredo** (1-888-425-5970) with the exception of limited distribution medications. **(Note: If Accredo can supply your Limited Distributed Drug then you may be required to switch.)**
- Advise your doctor to fill all of your **Provider-Administered Specialty medications** (Medical Pharmacy Benefit) using **CVS CareMark Specialty Pharmacy** (1-866-278-5108) with the exception of limited distribution medications. Note: This does not apply if your doctor subscribes to the Provider Administered Drug Program (PADP).

The Drug Categories are:

- **Generics:** These contain the same active ingredients as their brand name equivalents, and offer the same effectiveness and safety. They have the lowest copay.
- **Preferred Brands:** These are brand name drugs that are preferred by the plan and have a higher co-pay than their generic counterparts.
- **Non-Preferred Brands:** These are higher cost because there is usually a generic or a preferred brand drug available instead.
- **Specialty Drugs:** These are prescription medications that require special handling, administration or monitoring. These medications are used to treat chronic diseases or genetic disorders such as Multiple Sclerosis, Rheumatoid Arthritis, Hepatitis C, and Hemophilia.

Prior Authorization Programs (Responsible Steps and Responsible Quantity):

- Encourages the appropriate, safe and cost-effective use of medication. If you are currently taking or are prescribed a medication that is included in the Prior Authorization Program, your physician will need to submit a request form in order for your prescription to be considered for coverage. If you do not request and/or receive prior approval, the medication will not be covered. A current listing of drugs requiring prior authorization are indicated in the prior authorization column following the product name in the Medication Guide which can be found online at www.floridablue.com.

Member Prescription Cost Share (no changes in 2022)

UP TO 30 DAY SUPPLY AT RETAIL WALGREENS

Specialty Generic	Specialty Preferred	Specialty Non-Preferred
\$25	\$50	\$100

MEMBER FAQ'S – WALGREENS PHARMACY TRANSITION

Q: How do I transfer my refills to Walgreens Pharmacy?

A: **Call or stop** by your local Walgreens and tell the pharmacist you want to move your prescriptions from another pharmacy. They'll help you make the switch. Just have a list of your current medications handy.

OR

Using the free Walgreens mobile app on your smartphone, take a picture of your medicine bottle and send it to your nearest Walgreens.

Q: If I have an existing authorization on file for one of my medications, will I need to get a new one?

A: No, as long as the authorization on file is still valid and has not expired, Walgreens should be able to run the script and the claim should pay. Some exceptions may apply. For example, if the medication is refilled too soon, it may deny.

Q: Are there certain classes of medications that **DO NOT** transfer and require a **new prescription** from your prescriber?

A: Yes, the following classes of medications would require a new prescription from your prescriber.

- Narcotics for pain
- Medications to treat ADHD and other behavioral health conditions.

Q: What happens if I continue to use the same retail pharmacy other than Walgreens on January 1, 2022 or later?

A: For HMO Members, your medications will **NOT** be covered. You will have to pay the full price of your medication out of your pocket.

For PPO Members, you'll pay the **full price** of your medication and can **file a claim** for reimbursement. Your reimbursement will be based on **out-of-network benefits**.

Elect Rx

Personal Importation Program

Pasco County Schools is offering a great option for you to save money on certain brand name prescription drugs through Elect Rx Personal Importation Program. This program is known as Personal Importation or PI. You can order your brand name drugs from Canada, New Zealand, Australia, and England using the same brick and mortar pharmacies that people in these countries use for their medications. Plan members will have a \$0 co-pay (Free!) on these medications for their first fill. All subsequent refills through this program will only have a \$10 co-pay. Plan Members with FSA accounts cannot use the FSA account for reimbursement because of recent IRS rule changes. Here's how you can begin using the program.

1. Members can enroll by calling 1-844-ElectRx or 1-844-353-2879. A Customer Service Representative will complete the enrollment process and order for you. You will be asked several questions related to your medical condition including any known allergies and a list of the prescription drugs you are currently taking. **You should have those prescription drugs with you when you make the call.**
2. Have your Physician prepare a prescription for a **90-day supply with 3 refills** and FAX it to the Elect Rx Toll Free Number at 1-844-333-0700. Again, you will have no co-pay on the first 90-day fill and only \$10 on all subsequent refills. You will receive an automated reminder notification of a pending renewal/refill on or around day 60 of the last 90-day supply shipped. Shipping takes 10-15 business days from the date of completed requirements (Faxed Rx from Physician and initial call to customer service from the member/employee). Tip: **Have a 30-day supply on hand to allow for plenty of delivery time.** Pharmacists are available via email at pharmacist@electrx.com to answer any and all questions regarding your prescriptions.
3. If you use the Internet the process is even simpler. The dedicated link for Pasco County Schools' employee – members to activate an account online is:
