First Aid for Your Finances

Group Accident Insurance

We all want to be ready for bills we don't see coming — especially accident-related costs not covered by medical insurance.

You can't predict a car crash, a fall, a bike accident or a child getting hurt playing soccer. But you can take action to help prepare your finances:

Purchase Group Accident insurance from Standard Insurance Company (The Standard[®]).

- Pays you or a covered family member directly, not medical providers
- Can help with whatever costs you decide — like deductibles, copays or other expenses
- Covers a wide range of treatments due to an accident
- Pays an extra 25% of total benefits for injuries during youth organized sports

Insurance in Action

Hit By a Car*

Dante was struck by a car while on vacation. An ambulance took him to the hospital, and multiple fractures kept him in the hospital for five days.

Benefits from his **Accident Insurance** helped cover his health plan's copays and deductible. Dante also used the money to pay for out-of-pocket costs, like his family's travel to and from the hospital.

Dante used his Accident Plan benefit to help cover:

- Ground ambulance
- Emergency room
- CAT scan
- Hospital admission
- Five-day hospital stay
- Two physician follow-ups
- Physical therapy (two sessions)

An accident shouldn't injure your finances.

Group Accident Insurance

Keep your finances on track when an accident happens.

Here's How Accident Insurance Works

1 You have an accident.

Your health insurance covers some costs, after you meet your deductible. But you still may have copays and a lot of out-of-pocket expenses.

2 We send you a check.

The Standard will send a check directly to you — not to your medical providers — upon approval of your claim. You decide how you spend the money.

3 You focus on getting better.

With The Standard helping you handle the unexpected expenses, you get to pay attention to what matters most — your health.

Here's what it does:

- **Pays you directly**, so you can choose how to spend the money.
- **Pays you for what happens**, regardless of your other coverage.
- **Goes with you** if you leave your employer.
- **Provides coverage without answering any medical questions.**
- Gives you the option to **cover your spouse and children.**
- **Pays an additional 25 percent benefit** if your child, 18 or under, is injured playing organized sports.
- **You pay the same premium** for as long as you have your coverage.
- Provides the convenience of having your **premium payments deducted directly from your paycheck.**

This coverage from Standard Insurance Company (The Standard) can help you stress less about unexpected medical bills.

- Other approved items and services

This policy must pay benefits without regard to other health benefit coverage to which you may be entitled under Medicare or other insurance.

Before you buy this insurance:

- Check the coverage in all health insurance policies you already have.
