**Closing of Mittye P. Locke Retention Incentive**

**October 26, 2022**

On May 31, 2023, the District will close Mittye P. Locke Elementary School (MPLES). In order to reward SRP for ensuring that student needs are met by remaining at the MPLES site throughout the entirety of the school year, the District and Union agree to pay a one-time supplement of \$1,000. To qualify, an SRP must have been employed at MPLES from January 3, 2023 through May 26, 2023. Funding for this supplement comes from non-recurring ARP and ESSR funds.
