MEMORANDUM OF UNDERSTANDING
Closing of Mittye P. Locke Retention Incentive
October 12, 2022

On May 31, 2023, the District will close Mittye P. Locke Elementary School (MPLES). In order to reward teachers for ensuring that student educational needs are met by remaining at the MPLES site throughout the entirety of the school year, the District and Union agree to pay a one-time supplement of \$2,000. To qualify, a teacher must have been employed at MPLES from January 3, 2023 through May 26, 2023. Funding for this supplement comes from non-recurring ARP and ESSR funds.
