

MEMORANDUM OF UNDERSTANDING
Board Proposal
Dual Enrollment
May 31, 2023

Dual enrollment allows eligible students to have the opportunity to earn college or technical credit at local colleges. A dual enrollment student is simultaneously enrolled in both high school and college or specific technical credit courses taught by non-Pasco County Schools institutions with which Pasco County Schools has a School Board approved Dual Enrollment Agreement PHSC and USF. These courses are counted toward high school graduation. In an effort to increase dual enrollment opportunities for students on our high school campuses, the District and Union agree to the following for the 2023-2024 ~~2022-2023~~ school year only:

Teachers who teach on a Pasco County high school campus will receive a supplement of \$25 per student per semester where a student completes a dual enrollment course with a grade of "C" or higher. All supplements paid under this MOU shall be in addition to any regular wage, supplement or bonus the teacher receives, and shall be prorated and paid in the same manner as any other supplements for the period of time in which the teacher serves as the teacher of record for the Dual Enrollment class. Supplements will be scheduled for payment in December of the following school year, and a teacher does not need to be employed by the District at the time the payment is made.
