

**Mutual Proposal  
Technical High Schools MOU  
June 29, 2022**

Beginning with the 2018-2019 school year, the District opened its first technical high school, Wendell Krinn Technical High School. Now, during the 2022-2023 school year, the District will open Kirkland Ranch Academy of Innovation as its second technical high school.

**Work Day and Work Hours**

Instructional staff at the technical high schools will work an eight-hour day for the 2022-2023 ~~2021-2022~~ school year. During the workday, some classroom teachers will teach six fifty-minute periods and receive one fifty-minute planning period.

**Additional Compensation**

Instructional staff at the technical high schools will receive an additional thirty minutes of pay at their regular hourly rate of pay. In addition, classroom teachers who teach a 6<sup>th</sup> period or more will receive an additional .2 (\$5,500/year) for each providing the extra period of instruction that they provide.
