DISTRICT SCHOOL BOARD OF PASCO COUNTY

Kurt S. Browning, Superintendent of Schools

7227 Land O' Lakes Boulevard • Land O' Lakes, Florida 34638

September 17, 2013

Dear Chairman and School Board Members:

The Annual Budget of the District School Board of Pasco County for fiscal year 2013-2014 is submitted herewith. This budget has been developed based on the mission and goals of the School Board. The budget includes all Governmental and Proprietary Funds of the District and the proposed tax rate for the 2013 calendar year.

DESCRIPTION OF BUDGET PROCESS

Florida Law requires the School Board to adopt a balanced budget each fiscal year for all funds under its jurisdiction: General Fund, Debt Service Funds, Capital Outlay Funds, Special Revenue Funds and Trust & Agency Funds.

The law is very specific in defining the process and timetable to be followed in adopting the budget and ad valorem property tax millage rates. By law, the School Board must conduct two public hearings on the proposed budget and millage rates.

CERTIFICATION OF ASSESSED VALUE OF TAXABLE PROPERTY

The County Property Appraiser is required by law to certify to each taxing authority in the County the assessed value of all non-exempt taxable real property. The Property Appraiser, who is independent of the School Board, is required to provide this certification no later than July 1st each year.

PROPOSED TAX

Based on the 2013 tax roll provided by the Department of Revenue and certified by the Commissioner of Education on July 17, 2013, the following is a summary of millages to be levied on the 2013 tax roll for the 2013-2014 fiscal year:

	<u>Proposed 2013-2014</u>	<u>Last Year 2012-2013</u>	<u>Increase/ (Decrease)</u>
State Required Local Effort	5.109	5.093	0.016
Local:			
Discretionary Effort	0.748	0.748	0.000
Local Capital Improvement Millage	<u>1.500</u>	<u>1.500</u>	<u>0.000</u>
Total Millage Levy	<u>7.357</u>	<u>7.341</u>	<u>0.016</u>

The taxable value of property in Pasco County has experienced an increase this year. The tax base increased \$223 million to an amount of \$21.42 billion this fiscal year. This reflects an increase of 1.06% in the tax base. The Florida Legislature has raised the Required Local Effort Millage rate. The required local effort is set at 5.109 mills. The local capital improvement millage will remain at 1.500 mills to comply with the Sales Tax Referendum passed in March 2004. The remaining .748 mills is Discretionary Millage. The .748 millage generates a State average of \$385.15 per unweighted full-time student. A compression adjustment is calculated to equalize the funding to all school districts at the State average level. Since the Required Local Effort is set by the Legislature each year, the District and School Board have limited flexibility in determining the millage. Additionally, the State bases the District's funding on the assumption that it will levy the full .748 Discretionary mills. If the District fails to levy the full discretionary amount, it will lose \$9.97 million in compression adjustment revenue from the State.

Under the proposed rate, the owner of a \$125,000 home, after deduction of the \$25,000 homestead exemption, would pay \$735.70, which is an increase of \$1.60 over 2012.

		Taxes <u>2013-2014</u>		Taxes <u>2012-2013</u>
ASSESSED VALUE	\$	125,000	\$	125,000
Less: Homestead Exemption		<u>(25,000)</u>		<u>(25,000)</u>
Taxable Value	\$	<u>100,000</u>	\$	<u>100,000</u>
MILLAGE		<u>Amount</u>		<u>Amount</u>
Required Local Effort*	\$	510.90	\$	509.30
Discretionary Effort*		74.80		74.80
Capital Projects	\$	<u>150.00</u>		<u>150.00</u>
Total	\$	<u>735.70</u>		<u>734.10</u>

* Since the Legislature sets the rate, the District has limited flexibility in setting millage rates. The District is required to levy for the Required Local Effort and bases the compression adjustment on the assumption that the full Discretionary Millage is levied.

ADVERTISEMENT OF TENTATIVE BUDGET AND PROPOSED MILLAGE RATES

The Superintendent of Schools is responsible for recommending a tentative budget and proposed ad valorem property tax millage rates to the School Board. By law, the School Board must advertise a tentative budget and the proposed millage rates in a daily newspaper of general circulation in the County within 29 days after receiving the certification from the Property Appraiser. The advertisements contain a budget summary, proposed millage rates and a notice of the date, time and address of the first public hearing on the budget. The advertisements were published in the Pasco edition of the Tampa Tribune and Tampa Bay Times on July 26, 2013 and July 28, 2013 respectively. The Tentative Budget Hearing was held on July 30, 2013 at 6:00 p.m. in the School Board Meeting Room.

The County Property Appraiser notifies each property owner, usually in mid-August, of the amount of the property tax levies proposed by each taxing authority in the form of a "TRIM" Notice (Truth-In-Millage). This notice will show the actual tax levies for the prior year and the proposed tax levies for the current year. The tax notice will also inform the taxpayer of the date, time and address when the final public hearing will be held.

SECOND (FINAL) PUBLIC HEARING

The Final Public Hearing is required to be held at least 65 days, but not more than 80 days after receiving the tax roll certification from the Property Appraiser. After this public hearing, the School Board adopts a resolution stating the ad valorem property tax millage rates to be levied and the final budget. The Final Public Hearing is scheduled for September 17, 2013, at 6:00 p.m. in the School Board Meeting Room.

BUDGET REGULATIONS

The budgetary accounts of the District are grouped into funds in accordance with generally accepted accounting principles and standards prescribed by the Florida Department of Education. The *Financial and Program Cost Accounting and Reporting for Florida Schools* manual has established a modified accrual basis of accounting as the standard for governmental fund budgeting and reporting. All Florida school districts must adhere to this basis.

The budget document contains budget information for each of the funds or fund groups of the District for which a budget must be adopted. Budgetary control is maintained at the function/object level. Each principal or department director is responsible for their respective budget. No expenditures are authorized that are in excess of budgetary appropriations. As with any projection, however, changes to appropriations are necessary in order to meet critical needs as they are identified. Therefore, budget amendments are prepared on a monthly basis and submitted to the School Board for approval. This provides the best use of limited resources.

Comparison of Budget – All Funds

The total budget for all funds for the 2013-2014 fiscal year is \$1,079,412,731. This is an increase of \$52,471,019 or 5.11% above the same figure in the 2012-2013 Budget. The 2013-2014 total budget figure reflected below includes a General Fund operating budget of \$518 million and a Capital Projects budget of \$244 million.

The following schedules present a comparison of the proposed budgets for all Governmental and Proprietary Funds of the District.

GENERAL FUND

The General Fund serves as the primary operating fund for the District. It includes all annual local, state and federal funding, as well as the District's required reserve funding. All general tax revenues and other receipts that are not allocated by law or by contractual agreement to another fund are accounted for in this fund. Daily operating costs such as personnel salaries and benefits, transportation, utilities, materials and supplies are reflected in this fund.

The 2013-2014 General Fund budget is \$518,846,606, a \$15.37 million increase from the 2012-2013 General Fund budget. This represents a 3.05% increase from last year.

This is the sixth consecutive year of multi-million dollar budget shortfalls. This year the District is faced with a budget short fall of \$19.5 million due to non-recurring general fund revenues which were used to balance the 2012-2013 budget. The additional shortfall is due to increased costs associated with an increase in the Florida Retirement System (FRS) employer contribution rates, increases in fixed costs (utilities, gas and diesel) as well as earmarks requiring new expenditures. To balance the budget, the District developed a combination of spending reductions from both schools and district department's discretionary budgets, the reduction of 265 positions throughout the District and from closing two schools. In addition the saving measures implemented in fiscal years 2008-09; 2009-2010; 2010-11, 2011-2012 and 2012-13 will continue to be observed.

Although the District was allocated additional funds by the state legislature, they also restricted the use to specific areas. In the midst of these significant economic challenges, the District continues to prioritize classroom spending and is honored to have been recognized by the State of Florida for having one of the lowest administrative costs out of Florida's 67 school districts. The District's administrative cost is less than three percent of the total general operating fund.

The District's financial stewardship is also evidenced by an "A" bond rating by Fitch and an "A1" rating by Moody's, a feat that is difficult for government entities in this economic climate. The District is a high-performing school district facing significant economic challenges. The District has a proven record of academic success and financial leadership. The District's vision is to create a community that works together so that all students reach their highest potential.

The District's Strategic Plan outlines measurable objectives within three targeted areas:

- Preparing Students for Global Citizenship
- Providing Equitable Support Systems, and
- Engaging Families, Communities and Businesses.

In addition to providing a high quality education to every child, the District has a variety of state and federal mandates that it must adhere to. Some of these requirements extend beyond the District's primary mission of education; however, they are vital to the District's role as a valued community partner. For example, the District is required to provide facilities and staff members for emergency shelters, manage the community volunteer program, operate the Head Start Program, work with other governmental entities to ensure appropriate community planning, feed children during the summer and contribute to the work of combating homelessness in the community. Even with limited resources, the District will continue to meet these obligations while prioritizing the needs of students as it works to streamline operations for maximum efficiency.

Resources to Support Operations

The District derives its operating income from a variety of federal, state, and local sources. The major categories of income sources for the General Fund are briefly described below. The District expects to receive 66.6% of the General Fund financial support from state and federal sources and 25.2% from local sources. The remaining 8.2% is comprised of transfers from other funds and carry forward fund balances (restricted and unrestricted).

State Support

This budget represents the funding level currently certified by the Department of Education, as of July 17, 2013.

Florida Education Finance Program Funding

The Florida Education Finance Program (FEFP) provides the funding for General Fund expenditures. The funding formula requires a combination of state and local funds to fund education. For 2013-2014, FEFP funds provided to Pasco County comprise a total of \$451,993,291. Of that amount, the state is providing \$331,737,231 and local property taxes are providing \$120,256,060.

The State of Florida's basic student allocation per weighted full-time student increased from \$3,582.98 to \$3,752.30, an increase of \$169.32 or 4.7% from the amount that was funded during 2012-2013. The total loss of basic student allocation funding since the start of the 2007-2008 school year is \$411.17 per student. The State applies a cost of living adjustment (District Cost Differential or DCD) to the basic student allocation. Pasco's DCD is .9905. Therefore, Pasco will receive \$3,716.65 per basic student allocation.

Included in the FEFP formula are allocations for Exceptional Student Education (ESE) totaling \$26,909,547, Supplemental Reading totaling \$3,071,486, Supplemental Academic Instruction totaling \$17,875,626, and Safe Schools totaling \$1,388,685.

The ESE guaranteed allocation will be for educational programs and services for exceptional students. The Supplemental Reading allocation will be to improve reading throughout the District. The Supplemental Academic Instruction allocation will be to provide supplemental instruction, reading instruction, after-school instruction and tutoring, mentoring and for the extended school year program. A portion of Reading allocation and of the Supplemental Academic Instruction allocation must be for an additional hour of intensive reading instruction beyond the normal school day for each day of the entire school year for students if any of our schools are in the 100 lowest performing elementary schools based on the state reading assessments. The Safe Schools allocation will be for school resource officers, traffic control, and year-end security.

School Recognition Program

The School Recognition Program allocation of \$2,840,107 will be used for financial awards to schools that sustain high performance or that demonstrate exemplary improvement due to innovation and effort. Eligibility for school recognition funding was expanded by the Florida Legislature during the 2009 Legislative Session. Funds will be distributed to each qualifying school in the amount of up to \$100 per student. If there are funds remaining after payment to qualified schools, each school will receive up to \$5.00 per unweighted FTE to be used at the discretion of the school advisory council.

Teacher Salary Increase Allocation

This year the Legislature appropriated \$11,691,972 for salary increases for all classroom teachers, guidance counselors, social workers, psychologists, librarians, principals and assistant principals. Funds will be distributed through locally bargained and approved plans.

State Categorical Programs

The State designates a large portion of FEFP funds for specific purposes, restricting the District's discretionary use of funds.

A summary of the Categorical Funding, that remains restricted, is described below:

<u>Categorical Funding</u>	<u>Amount</u>
Class Size Reduction	\$73,407,360
School Recognition and Lottery	2,840,107
Teacher Lead	1,121,652
Total	\$77,369,119

The amount of State and Local FEFP dollars for each school district is determined as follows:

Unweighted FTE	X	Program Cost Factors	=	Weighted FTE Students	X	Base Student Allocation	X	District Cost Differential Factor	=	BASE FUNDING	+
Pasco 65,769.43		Pasco Avg. 1.096		Pasco 72,058.48		State 3,752.30		Pasco 0.9905		Pasco 267,816,377

The State then determines the portion of FEFP to be funded by state revenues and the portion to be funded by local real estate tax revenues. Following the apportionment, the State adds additional funds to their contribution.

Local Support

The primary source of local revenue is ad valorem real and tangible personal property taxes. School Boards are not empowered to levy any other taxes. In addition, the District earns interest on cash invested and collects other miscellaneous revenues.

Budgeted revenues from ad valorem taxes are based on applying millage levies to 96% of the non-exempt assessed valuation of real and personal property within Pasco County. This was a new Legislative requirement beginning in 2010-2011. Previously, the School Board would base its budget on applying millage levies to 95% of the non-exempt assessed valuation of real and personal property within Pasco County. Local taxes are presently projected to be \$120,256,060.

Federal Sources

Federal sources of revenue do not represent a significant revenue source to the District for the operating fund and are projected to remain at nearly the same level for the next year.

The major portion of the general fund resources are committed to carrying out the educational programs offered to the residents of Pasco County.

- ❖ Teaching alone comprises 62.26% of all expenditures.
- ❖ Teaching combined with other school-level programs such as transportation, media, counseling, psychological services, school administration, community services, capital outlay and operations & maintenance comprise 94.01% of the operating budget.
- ❖ Curriculum development and staff training comprise 2.56% of the operating budget.
- ❖ District Services such as human resources, finance, purchasing, warehouse, data processing and mail services comprises 3.43% of the operating budget.

School districts are audited annually by an independent agency. Every three years, this audit is conducted by the Auditor General's Office. Additionally, each program (i.e. Title I, Pre-K, Exceptional Student Education, Staff Development) receives regular independent audits to ensure funds are used in accordance with State and Federal guidelines.

DEBT SERVICE FUNDS

The 2013-2014 budget for the Debt Service Fund is \$51,390,789, an increase of \$1.1 million or 2.19% above the 2012-2013 budget due to the terms of the financing agreements and principal and interest payments.

The Debt Service Fund is used to account for the accumulation of resources for, and payment of, general long-term debt principal and interest. The District currently combines debt service funds into four groups as follows:

State Board of Education Bond Funds - used to account for principal and interest payments for various bonds issued by the State of Florida on the District's behalf.

Capital Improvements Revenue Bond Funds - used to account for payments on Motor Vehicle License Tax Revenue Bonds, which are secured by racetrack funds and Jai Alai Fronton funds received annually by Pasco County.

Sales Tax Bond Funds - used to account for payments on the Sales Tax Bond, which is secured by a one (1) percent voter approved sales tax.

Certificates of Participation Funds - used to account for payments for obligations pertaining to lease payments from debt issued under a Master Lease Agreement with the Pasco County Leasing Corporation.

The District must repay debt service prior to making any other expenditures. The principal and interest payments for fiscal year 2013-2014 are listed below:

<u>Type</u>	<u>Principal</u>	<u>Interest/Fees</u>
Certificates of Participation Notes	\$ 9,927,001	\$ 13,514,582
State Board of Education Bond Funds	1,700,000	708,782
Sales Tax Bond Funds	12,885,000	998,375
Capital Improvement Revenue Bonds	95,000	126,875
Total	\$ 24,607,001	\$ 15,348,614

CAPITAL PROJECTS FUNDS

The 2013-2014 budget for the Capital Projects Funds is \$244,611,809, which reflects an increase of \$45.9 million or 23.13% above the 2012-2013 budget.

Capital Projects Funds are used to account for financial resources that the District uses for acquisition or construction of major capital facilities and improvements to existing facilities. Although the District is not planning the opening of any new schools during the 2013-2014 school year, major renovation projects of existing schools/facilities are scheduled. The District maintains almost 2,400 buildings across the County. The purchase of land and equipment, the acquisition or construction of major capital facilities, improvements to existing facilities and payment of capital debt service are accomplished with these funds.

Estimated Revenues

Revenue and other financing sources for these funds are comprised of Impact fees, Capital Improvement Ad Valorem Tax Levy and Bond proceeds. The District plans to issue Sales Tax Revenue Bonds to finance the renovation of Shady Hills Elementary, Quail Hollow Elementary, and Quest, the new student system. On March 9, 2004, a referendum election "Sales Tax Referendum" was held to determine whether the County could levy a one (1) cent infrastructure sales surtax within the County. A majority of the voters of Pasco County voting in the Sales Tax Referendum approved the levy of the sales surtax. The sales surtax proceeds will be distributed to the District, the County and the municipalities, with the District receiving 45%. Imposition of the surtax commenced January 1, 2005 and will expire December 31, 2014.

On November 6, 2012, Pasco County voters overwhelmingly voted to renew the "Penny for Pasco" sales tax until December 31, 2024. The new "Penny for Pasco" will generate approximately \$226 million that be used to provide much needed repair and renovations to aging schools. It will also be used to improve energy efficiency in schools and to retrofit and equip older schools built before 1975 with the technology students need to succeed in the 21st century.

Projected revenues by source are described below:

Local Capital Improvement and Interlocal Agreement	\$30,798,035
Sales Tax Proceeds	27,166,012
Projected Bond Proceeds	32,277,535
Impact Fees	6,000,000
Total	\$ 96,241,582

*It is important to note that the State did not allocate any PECO Maintenance funds for traditional public schools for the 2012-2013 and 2013-2014 school year.

Capital Appropriations

The largest Capital Project appropriations are for the renovation/remodeling of existing facilities including campus re-development of Sanders Memorial Elementary, Schrader Elementary, Quail Hollow Elementary, and Shady Hills Elementary. Appropriations for capital debt service are to repay principal and interest payments for outstanding Certificates of Participation and Sales Tax Debt issues. Other uses of capital funds include improvements to existing facilities, capital equipment, technology, site acquisition, replacement of buses, vehicles and portables in addition to adding a new Health Center at the Hudson High School Complex.

Projected major appropriations are described below:

<u>Capital Projects</u>	<u>Amount</u>
Debt Service Payments	\$ 16,714,787
Sales Tax Debt Service Payments	13,888,375
Major Remodel/Re-Development	64,021,153
Equipment - QUEST System	11,277,535
Capital Maintenance Projects	15,304,932
Total	\$ 121,206,782

SPECIAL REVENUE FUNDS

The 2013-2014 budget for the Special Revenue Funds is \$85,763,280, a decrease of \$1.06 million or 1.23% below the 2012-2013 budget.

Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than major capital projects) that are legally restricted or committed to expenditures for specific purposes. The District uses these funds to account for the schools' Food & Nutrition Service Program and to account for funds received from federal sources that are used for specific educational programs administered by the District.

The Food & Nutrition Service Fund operates during the regular school year, as well as, during the summer at several schools. This fund depends on local sales and funds from Federal and State programs for subsidizing school breakfast and lunch programs. Currently, the District serves more than 19,562 breakfasts, 37,467 lunches, and 1,478 snacks daily. Meals are prepared and served at 83 sites and delivered to four charter school sites. During the summer, the District provides more than 1,500 breakfasts, 2,600 lunches and 450 snacks daily to Pasco County students. The total budget for the Food & Nutrition Service Program is \$44,039,210.

The Federal Grants Fund contains various categorical grants awarded to the District by the Federal Government and other governmental agencies. The amount received from these agencies is projected to be \$41,724,070 and will be used to serve all Pasco students who qualify for the following programs:

<u>Program</u>	<u>Amount</u>
Individuals with Disabilities Education Act	\$13,939,170
Title I Programs	13,647,945
Head Start Programs	6,164,355
Race To The Top	4,160,391
Title II Programs	1,925,076
Adult Basic Education Programs	725,033
Vocational Education Programs	595,174
Title III Programs	300,000
Farm Workers Jobs and Education	152,926
Homeless Children & Youth	114,000
Total	\$41,724,070

INTERNAL SERVICE FUNDS

The 2013-2014 budget for the Internal Service Funds is \$128,068,357, which reflects a decrease of \$1.65 million or 1.28% below the 2012-2013 budget.

The District has established internal service funds to account for the District's fully insured program for employee group health and assistance program and self-insured programs for property, casualty liability and workers' compensation. The total budget for these programs is \$111,277,902.

The District contributes \$6,036 per employee per year for employees' medical, life and flexible benefits. The District contribution per employee per year for employees' medical, life and flexible benefits has increased from \$4,030 in calendar year 2004 to \$6,036 in calendar year 2013. This represents an increase of 49.78% since 2004. The total amount projected to pay these premiums in fiscal year 2013-2014 is \$63,089,475. The contribution for premiums for property, casualty liability, workers' compensation claims and administrative costs is \$7,500,000. The District has been extremely proactive in reducing District costs for the operation of these programs. One such measure in recent years was moving to self-insured coverage, which yielded significant savings in this area. The District also recently opened three Health and Wellness Centers to help defray costs associated with health care for employees and workers' compensation services.

An internal service fund is also used to account for the Energy Management, Water Management, Waste Management and Exclusive Agreement Programs. The total budget for these programs is \$16,790,455.

TRUST & AGENCY FUNDS

The 2013-2014 budget for the Expendable Trust Funds is \$38,540,363, a decrease of \$5.43 million or 12.35% below the 2012-2013 budget.

The majority of the Expendable Trust Funds are used to account for School Internal Funds and the District's Early Retirement Plan.

The School Internal Funds account for the receipts, expenditures and fund balance for the financial activities in the internal accounts at the individual schools. These activities include but are not limited to athletic events, field trips, parent organizations, programs, class and special interest club projects, school stores, yearbook, book fairs and scholarships. The total budget for this fund is \$21,927,548.

The purpose of the District's Early Retirement Plan is to provide eligible employees, who elect to retire under the early retirement provisions, with a monthly benefit equal to the statutory reduction of the normal retirement benefits when early retirement precedes the normal retirement age of 62. Contributions to the plan are based on an actuarial valuation. The total budget for this fund is \$16,490,093.

The four (4) remaining Expendable Trust Funds are used to assist children in need and provide funding for special programs to schools, as designated by the donor. The budget for these funds total \$122,722.

ENTERPRISE FUND

The 2013-2014 budget for the Enterprise Fund is \$12,191,527, a decrease of \$1.79 million or 12.81% below the 2012-2013 budget.

The Enterprise Fund is a completely self-supporting activity that does not receive funding from property taxes or any other District fund. It is expressly used to account for the operations of the Pasco Learning and Activity Centers of Enrichment (PLACE), a before and after-school child care program.

PLACE operated in 37 elementary schools during the regular 2012-2013 fiscal year. PLACE serves approximately 4,600 students during the school year and summer months. The Program's enrollment for 2013-2014 fiscal year is expected to remain steady. PLACE is closing the Quail Hollow Elementary site for the 2013-2014 school year.

CONCLUSION

The 2013-2014 budget is designed to ensure the smooth delivery of effective school operations while prioritizing the needs of Pasco's students and the community. It is important for the District to have the flexibility to adapt to changing conditions during the year and to provide adequate reserves for the future. The budget development process is a reflection of State mandates, School Board actions, and careful planning. Budget development, review, and consideration were completed with a detailed review of every revenue and expenditure category within the context of the School Board's goals, mission and financial policies. In the face of significant financial adversity, the School Board remains committed to its unwavering dedication to building a solid foundation for student success.

As with any projection, this budget will change during the year as needs change and critical areas are identified. Budget amendments will be submitted to the School Board for approval during the year in order to make the best use of available resources and maximize opportunities for the students of Pasco County. I hereby submit and recommend this budget to the Pasco County School Board for fiscal year 2013-2014.
