

VISION INSURANCE

REVIEW YOUR VISION PLAN

VSP

The vision plan offers coverage both in-network and out-of-network. It is to your advantage to utilize a network provider in order to achieve the greatest cost savings. If you go out-of-network, your benefit is based on a reimbursement schedule.

In addition, if you are considering Lasik surgery or other non-covered benefits, there are discounts available with some providers. To find a participating provider, go to vsp.com.
