

**Hiring Managers,**

Below are the job titles and URL's to be used when publishing job ads. The last column is also provided to assist with knowing which Application (MAST, MATI or MAPI) to attach to the job ad. The document was intentionally left in a format to **allow schools and departments to customize this list** to suit their individual needs as desired. When using this information in Apple systems, you may copy using (Apple+C) and paste using (Apple+V). In PC (Dell) systems you may copy using (CTRL+C) and paste using (CTRL+V). If a job description does not exist for the position for which you are publishing an ad, leave both the URL and URL Label fields blank.
