

Quality care, less stress
– all through your
Lantern membership

Get Quality Surgery Care with Lantern

How it Works?

- 1. Call Lantern before scheduling care.** A dedicated Care Advocate learns about your needs and explains your personalized options.
- 2. Choose the right specialist.** We connect you to a board-certified surgeon with extensive experience.
- 3. We handle the details.** From scheduling to paperwork to follow-up, you can focus on your health.
- 4. Pay \$750 co-pay due at time of surgery.**
- 5. Get post-op support.** Lantern is here for you every step of the way.

Why Call Lantern?

- Access to board-certified surgeons near you
- Personalized support from a Care Advocate every step of the way
- An exclusive benefit provided by your employer

“Call Lantern before you do anything when you find out you need a surgery. It’s an incredible benefit.”

– Tom, Lantern Member

Coverage Highlights

Lantern can help with:

- Joint replacements
- Spinal fusions
- Cardiac procedures
- And more...

Lantern covers thousands of procedures; however, some procedures may be excluded based on your plan. Ask Lantern or your HR team for details.

One call can
change everything.
