### **College Coursework**

Florida Southern College offers accelerated courses that directly correlate to the course requirements in the statement of eligibility <https://www.flsouthern.edu/admissions/adult-graduate/teacher-workshops.aspx>

Courses can be taken at any college or university. Calling the FLDOE for prior approval is recommended.

### **EPI Programs**

iTeach Florida and PHSC are the only programs that do not require an internship and can be completed while employed as a teacher
